Directions for Completing the Member Authorization Form To Release Information

This form is used to obtain authorization from the member or the member's personal representative to disclose the member's information to an individual or organization not otherwise authorized to receive this information. This form is also used to receive member authorization to use or disclose a member's psychotherapy notes or to disclose member information related to HIV, mental health, or substance abuse. This form may only be signed by the member or the member's "personal representative" (see description of personal representative below).

PLEASE PRINT

Member Information: Complete all information requested in this section for the member whose information will be released.

Important: Name, address, contact number, and date of birth are all required fields.

- **Contract Number:** Be sure to include any letters that appear in front of the member's Capital BlueCross medical identification number. If member has coverage with Capital BlueCross under more than one contract number, a separate Member Authorization Form must be completed for any applicable authorization related to coverage under each contract.

Authorization: There are two sections here.

Section I: The first section must always be completed. You must identify the individual(s) or organization(s) to receive the information. Describe the information as specifically as possible. If more space is needed to describe the information, describe on the back of the form. Next, describe why this information is being disclosed or check "This information is being disclosed at the request of the member (or the member's personal representative)." If no purpose of disclosure is given, Capital BlueCross will assume that this information is being disclosed at the request of the member (or member's personal representative).

Section II: The second section is to be completed only if the information to be used or disclosed includes psychotherapy notes, or if the disclosure involves HIV, mental health, or substance abuse information. If this authorization is being used for psychotherapy notes, it can only be used for that specific purpose and no other.

Psychotherapy notes are defined in the Health Insurance Portability and Accountability (HIPAA) Privacy Rule as:

*Notes made by a mental health professional that document or analyze the contents of conversations during counseling sessions, which are kept separate from the rest of the member's medical record, and **exclude** medication, prescription, monitoring, counseling session start and stop times, treatment modalities and frequencies, clinical test results, diagnosis, functional status, treatment plan, symptoms, prognosis, or progress summary.*

Expiration and Revocation: Expiration information must be completed for an authorization to be valid. Check one of the three boxes provided to show when you want this authorization to expire. If you check the "specific date" box, you must write in a specific date. If no expiration box is checked, this form will expire six months after termination of enrollment with Capital BlueCross.

To revoke this authorization form, contact the Customer Service number on your ID card.

Personal Representative Information: A personal representative is the member's legal guardian, someone who has power of attorney over the member's health care decisions, or a parent, if the member is a dependent child under the age of 18 and not an emancipated minor. Also, a personal representative can be an executor, administrator, or person legally authorized to act on behalf of a deceased member or the member's estate. Other than a parent acting on behalf of a dependent child, under the age of 18 who is not an emancipated minor, we require a copy of the power of attorney or other court-initiated document as proof that the individual named should be recognized as the member's personal representative. For this form to be processed, it is important that a copy of any applicable power of attorney or other court-initiated document is included when you return this form to Capital BlueCross.

Signature/Date: The member whose information will be released or the member's personal representative must sign and date this form for it to be processed.

Unless directed otherwise, please return this completed and signed form to:
